

Statement of Fiduciary Commitment

Intelligent Capitalworks is an investment advisor legally bound to put your interests ahead of ours.

We endeavor to:

- act with candor and good faith in the best interests of our clients;
- act with care, skill, prudence, diligence and confidentiality;
- fully disclose all material conflicts of interest;
- provide full and fair disclosure of all the advisory fees we charge our clients;
- not accept any commission, fee or other compensation or other remuneration from another party that is contingent on any client's purchase or sale of a financial product or service, or based on the referral of a client or the client's business.
